NJIT's graduate certificates give students the opportunity to:
(a) improve their skills in their current occupation by developing expertise in advanced topics,
(b) acquire knowledge to pursue new careers, or
(c) explore emerging fields before committing to relevant master’s degree programs that require more courses.
Many students pursue a graduate certificate for personal growth or part-time.
Each certificate program contains 4 graduate courses (equivalent to a total of 12 graduate credits) that are normally part of the
A full list of Graduate Certificates is available here:

The new model, which will be collaboratively developed with broad representation will improve budget transparency and foster l
Guiding Principles and Goals
Align revenues and expenditures with college and unit-level operations and our institutional strategic priorities.
Incentivize resource growth and fiscal stewardship.
Distribute resources using a predictable and clear simple methodology that allows for multi-year planning.
Anticipated Outcomes and Activities:
Start budget development with anticipated revenues and build unit-level expense targets accordingly with unit-level discretionar
Improved forecasting and multi-year budgeting.
Improved data-modeling for new and continuing enrollments by college.
Align revenues and spending now and in the future with a multi-year fiscal sustainability plan.

Current Alma Mater
To Alma Mater fair and great,
our voices now we raise,
Our gratitude we demonstrate,
Her steady voice we praise.
Her challenge on us never fails,
a world of knowledge calls.
In heart and mind,
our trust we'll bind
to our NJIT.
We'll hold her memory ever dear,
Her spirit we'll revere.
To her we'll promise loyalty,
our own NJIT.

Previous Alma Maters
1923
Tune: "Grandfather's Clock"
Lyrics by J.P. Wludyka '23 and M. Kosches '24
It was there on the hill, where our college was built,
And it stood there since 1884,
For her colors are blue like the skies high above,
And the gold like the radiant sun.
Alma Mater we love thee and the ground whereon you stand,
You are always our glory and pride,

And the C. of E. shall always be the pride of eternity.
1930
James C. Peet
Hail! Dear old N.C.E., bow to her call;
For men who are leaders do answer her roll.
With voices resounding we'll sing of her glory,
The pride that we feel at the sound of her name.
Alma Mater, we praise thee, the ground whereon you stand,
Since eighteen hundred eighty-four, o'erlooking the land.
We'll always stand by you, to you we pledge our might;
Here do we give our all for the crimson and white.
1961
Professor Emeritus Frederick P. Fernsler
To Alma Mater fair,
Our voices now we raise;
Our thanks to her we share;
Her steady torch we praise—
Her light of challenge on us falls;
A building world of Science calls.
Mindful too that we must heed
Inner vision's greatest need,
She gave us purpose richly filled
With precept wisdom-pearled;
That we must love, as well as build
A human, feeling world.
Refrain
Alma Mater, Alma Mater,
To thee we tribute bring,
Newark College of Engineering,
To thee in trust we cling.
Revered, enshrined in heart and mind,
Thou our loyalty ever bind.
1978
Music by Professor James N. Wise
Lyrics by Frederick Fernsler
To Alma Mater fair and great
Our voices now we raise;
Our gratitude we demonstrate,
Her steady torch we praise.
Her challenge on us ever falls;
A world of knowledge calls.
In heart and mind
Our trust we'll bind
To our NJIT
We'll hold her memory ever dear
Her spirit we'll revere.
To her we promise loyalty
Our own NJIT.

“If you ever need advice or help, I would be willing to bet you could find it at NJIT.”
Angela Vitaletti
Class of 2018
“NJIT has allowed me to transform my nearly lifelong dream of becoming a physician into a reality. ”
Efstathia Baronos
“NJIT felt like such a community and I loved that. I’ve learned to lead, to communicate and, of course engineering.”
Paula McCarter
